

Ben Dewar
Senior Vice President
ParetoHealth

At ParetoHealth, Ben drives underwriting strategy and profitable growth with our strategic partners.

Ben has over 18 years of experience in the group insurance marketplace in underwriting, distribution operations, lean management, and product management.

Before joining ParetoHealth, Ben led stop loss underwriting and was a Market Line Leader for Voya Stop Loss. His prior experience also includes working with Liberty Mutual and Sun Life. He received his bachelor's in marketing from Bryant University and an MBA from Bentley University. He lives in Massachusetts with his wife and three boys.
