

**Jeremy Freestone**  
**SVP Stop Loss**  
**Symetra Life Insurance Company**

Jeremy Freestone is a Senior Vice President at Symetra overseeing the Stop Loss product line and Benefits business strategy. In this role Jeremy leads the development and execution of strategies to empower Symetra's customers to have more financial freedom and choice when it comes to their benefits options. He is passionate about fostering a high performing team-oriented culture that can deliver transparent and sustainable solutions.

Jeremy has held numerous actuarial and leadership positions at Symetra since joining in 2005. In these roles, Jeremy has built high performing teams and led critical pricing and reserving functions for various product lines such as Stop Loss, Life and Disability, and Supplemental Health products.

Jeremy is a Fellow of the Society of Actuaries and a member of the American Academy of Actuaries.
