

**Ian J. Pietz, FSA, MAAA**  
**Vice President, Product Innovation**  
**Prealize Health**

Ian listens to the needs of the market and guides actuarial, operations and underwriting teams on use of health focused, predictive solutions. His previous experience as health actuary working in finance, commercial rating and Medicare Advantage informs his perspective on predictive health insurance products. Ian is also a dad, runner and hiker, and an advocate for lake life!
