

David V. Cardelle, R.Ph.  
Chief Strategy Officer  
Advanced Medical Strategies (AMS)

Dave Cardelle, R.Ph., is on the executive team at AMS and serves as the Chief Strategy Officer. He leads a dedicated team of professionals focused on transforming the payment integrity (PI) industry. With a BS in Pharmacy from the Massachusetts College of Pharmacy in Boston, MA, Dave brings a unique blend of healthcare expertise and domain knowledge to his role.

As the CSO, Dave leverages years of experience in the PI industry, including working for both Payer and Provider organizations to help AMS grow through innovative product, sales, marketing, and client relationship strategies.

Throughout his career, Dave has consistently demonstrated a keen understanding of healthcare-related matters, a skill that proves invaluable in the context of payment integrity. His passion for advancing the industry and commitment to maintaining the highest standards of integrity have earned him a reputation as a true industry expert.
